The following provisions of the Ontwa Township Zoning Ordinance (Section 21.07) must be met in if a variance is to be granted by the Zoning Administrator. Please respond to each of the four criteria as it pertains to the request.

- A. That the requested variance is not contrary to the public interest or to the intent and purpose of this Ordinance.

- B. That the requested variance is not necessitated by any self-created condition or action taken by the applicant or property owner.

- C. That there are exceptional or extraordinary circumstances or physical conditions such as narrowness, shallowness, shape, or topography of the property involved, or to the intended use of the property that do not generally apply to other property or uses in the same zoning district.

- D. That the variance is necessary for the preservation of a substantial property right possessed by other properties in the same zoning district. Increased financial return shall not be deemed sufficient to warrant a variance.
