Above Ground 0	Size: Length X Width: Sidewall height of above ground pool: Inches: _____	Deck? Yes 0 No 0 <i>Decks, 200 sq. ft. and plus, require a separate Building Permit with detailed blueprints and gate/barrier information.</i>
In Ground 0		
Soft Side 0		
Description of ladder or barrier:		
<i>Pools with less than 48" sidewalls require a separate barricade or fence.</i>		

AFFIDAVIT

The above information, to the best of my knowledge, is true and exact. If found to be in error, construction must cease until proper information is furnished the Zoning Inspector. I further understand that a new pool may not be

used until an approved barrier is in place along with a proper cover. I also understand that a final inspection, by the Building Inspector, is necessary before using the pool.

Swimming Pool Ordinance

SECTION 3.22. PRIVATE SWIMMING POOLS. Private swimming pools are permitted in all Districts, provided that a permit shall first be obtained from the Building Administrator. The application for such permit shall be accompanied by plans and specifications for the proposed swimming pool and the same must be approved by the Building Administrator and County Health Officer before issuance of the permit. All private swimming pools shall comply with the following regulations: (As Amended 8/12/02)

- (a) The pool shall be maintained in a clean and healthful condition in accordance with County Health Regulations.
- (b) No swimming pool shall be emptied in any manner that will cause water to flow upon another lot, or be emptied on any land if a storm drain is readily accessible to the premises.
- (c) Every swimming pool, the top of which is less than four (4) feet above ground level shall be completely enclosed with a permanent substantial fence of at least four (4) feet in height with gates of a self-closing and latching type with the latch on the inside of the gate so that access to the pool is prevented except under the supervision of the possessor or by permission. (As Amended 8/12/02)
- (d) Swimming pools which are five or more feet above ground level shall be equipped with removable steps or other pool entry device which is capable of preventing entry to the pool by children. (As Amended 8/12/02)
- (e) Deleted. (As Amended 8/12/02)
- (f) No swimming pool including filtering system shall be closer than ten (10) feet to any side or rear lot line and no part of any pool or its required fencing shall be constructed within the front yard or a required side street yard on a corner lot. (As Amended 8/12/02)
